A culture of quality

The leading provider of targeted drug delivery and infusion care, **AIS Healthcare does more of what matters.** From our state-of-the-art compounding pharmacies to our comprehensive nursing services, we exceed standards and expectations in everything we do.

Founded as an intrathecal specialty pharmacy in 1998, AIS Healthcare has grown into a healthcare company that serves more than 35,000 patients every year. Across our two divisions, we go above and beyond to support patients and empower providers.

At AIS Healthcare, you can find a career that's truly **life changing.**

OUR DIVISIONS:

AIS Healthcare Targeted Drug Delivery (TDD) prepares and ships more than 145,000 patient-specific dispenses annually to all 50 states. We also offer comprehensive nursing services to enhance the care experience.

Advanced Infusion Care provides a team approach to intravenous (IV) and subcutaneous (SubQ) immunoglobulin therapy to more than 1,700 patients. Collaboration between physicians and the nationally accredited AIC home infusion team ensures the consistent delivery of patient-specific, specialized, in-home infusion services to patients across the country.

Our commitment to diversity and inclusion.

At AIS Healthcare, we believe that diversity should be visible, valued and sustained.

That's why we are dedicated to advancing diversity, equity and inclusion (DEI) throughout our organization. Through employee diversity training, we create a common language and understanding of DEI. Through our employee-led, executive-sponsored inclusion council, we focus on creating a more inclusive workplace for our teammates, supporting social equity in the communities we serve, and cultivating a culture of quality healthcare to improve the lives of our patients and providers.

We are committed to creating a workplace where everyone can thrive. Advancing DEI across AIS Healthcare brings value to our customers, our communities and, most importantly, our teammates.

A company that does what's right—not just what's expected.

At AIS Healthcare, we are known for going beyond the expected, for doing more to support patients and providers in any way we can.

From our highly trained pharmacists and nurses to our dedicated sales, professional, and administrative staff, we all work together to advance quality along the care continuum.

That's why we're committed to providing a rewarding work environment where everyone is empowered to make a positive impact on the lives of patients and providers. It's also why we offer a competitive compensation and benefits package that recognizes and rewards our staff's skill and commitment:

- ✓ **Medical, dental, and vision benefits**
- ✓ **401(k) for FT, PT, and PRN employees. Company contributions each pay period and employees immediately vested**
- ✓ **Paid time off that increases with tenure**
- ✓ **Paid company holidays**
- ✓ **Company-paid telehealth and virtual mental health counseling**
- ✓ **Short-term and long-term disability plans available**
- ✓ **Company-paid life insurance**
- ✓ **Opportunities for professional growth and development**
- ✓ **Voluntary plans for critical illness and cancer policies available**
- ✓ **Remote opportunities available**

“The culture here is **amazing**. Everyone really wants to help our patients and each other.”
